## I Care Tidbit

In 2005, I Care **gave away over \$73,000** and **helped 80 families** in need thanks to all of you!

# Who has I Care Helped?

An 11-year-old girl was born with one medical problem after another. Her parents found a procedure to help her seizure/stroke issues, but the price of the procedure comes with a hefty price. I Care helped this family by donating \$600 to cover some expenses.

I Care

A woman who cared for her mother who was suffering from a rare cancer. After she paid for her mother's funeral, she needed assistance with her mortgage payment. I Care assisted this woman by donating \$1025 to cover those costs.

I Care

A husband and father has been without steady employment for year. The family found it difficult to keep up on their bills. I Care stepped up and donated \$750 towards this family's mortgage.

I Care

A family's home was burnt to the ground the children suffered 2<sup>nd</sup> and 3<sup>rd</sup> degree burns. None of their belongings were salvageable. I Care donated over \$1000 to help this family get their daily living needs met.

I Care

A couple who were in a recovery program have been out of work and needed assistance with their house payment. I Care assisted by donating \$850 to keep this couple in their home.

I Care

"We cannot seek achievement for ourselves and forget about progress and prosperity for our community... Our ambitions must be broad enough to include the aspirations and needs of others, for their sakes and for our own." - Cesar Chavez
