OUR STORY:

iCare of Michigan, founded nearly 50 years ago, is sustained by a membership of volunteers. Today the organization is more than two thousand strong! Its policy is aimed to help families for "any good reason" with cash donations on a one-to-one basis. The "any good reason" policy allows iCare of Michigan to distribute their donations through their members, as well as through organized agencies and local churches of all denominations. This mode of operation allows immediate response while other agencies are unable to respond because of their guidelines. iCare of Michigan does not have a waiting period and is a one-time, emergency source to aid individuals and families with their immediate needs. Thank you for being part of iCare of Michigan!
